Work Experience

Welder/Fitter

Samco Manufacture - Toronto, ON

June 2016 to June 2020

Bracket Builder

Laid out, fitted and fabricated metal components. Combined welding techniques, knowledge of metallurgy and engineering requirements to produce quality work. Inspected grooves, angles and gap allowances with micrometer, caliper and precision measuring instruments.

Lead Welder/Fabricator

Giant - Toronto, ON

July 2014 to June 2016

Examined weld for bead size and other specifications. Helped achieve company goals by supporting production workers. Drafted a timescale for all jobs. Inspected finished products for quality and adherence to customer specifications. Planned and laid out work to meet production and schedule requirements.

Welder/Supervisor

Stoddard Silencers - Scarborough, ON

April 2012 to June 2014

Observed safety practices and procedures to maintain a safe and clean work environment. Met company standard times and individual productivity goals consistently. Cut, shaped, and bent metal plates, sheets, tubes and structures. Analyzed all required blueprints, drawings, work orders and sketches to correctly fabricate and install products and parts. Trimmed, filed, ground, buffed and smoothed surfaces, seams and joints of assembled parts.
