Summary

With these past years, I want to better educate myself of all the different opportunities you get in life. I want to experience the difference ways to enjoy life and bring that joy to others. From the person who cashes you out at the grocery store, to someone who cuts your hair and shows you how beautiful you already are. Thank you

Experience

Barber/Hairstylist, Self-employed	[2014-2021]

Community Service

Volunteer, AIDS Committee of Durham Region, Oshawa, Ontario	[2013-2021]
when I was a child a dear friend of mine passed away and I wanted to give back to the committee in honor of them. I've since been volunteering my time whenever I get the chance from x-mas dinner to helping workshops.
